The Farm Shop Game

Aims:

To give practice in reading words in the /a-e/ family.

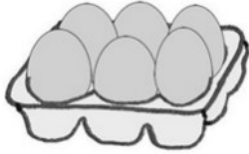

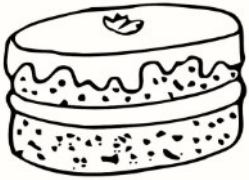

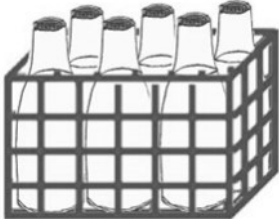

It should be played after a child has read '[The Black Truck and the Farm Shop.](#)'

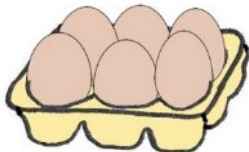

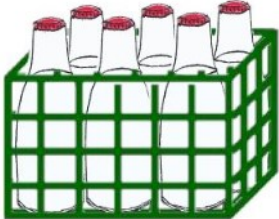

To prepare the game:

- Cut out the number cards and put them in a small box/bag/face down on the table.
- Find 2 counters

To play:

- Each player takes it in turns to take a number card, and move his/her counter that number of spaces.
- If there is text wherever s/he lands, it should be read and any instructions followed.
- Aim to be the first to help Tom to make his farm shop into a good farm shop!
- The winner is the player to reach the last square first.
